## Localettes

The management of the "confederated organizations, which met here on July 15 and 16, are yet praising the excellent service furnished by W. C. Williams.

### WHAT NEXT?

Complaint has been made that cows in the city are being milked at night or early in the morning by parties other than the owners. This is a bad state of affairs and the guilty parties had better be on the lookout or an officer may appear on the scene.

### THE VORACIOUS ARMY WORM.

The army worm is still playing havoc in the country around Roanoke. Whole crops are being destroyed by the pests. The worm is about an inch in length and has a black stripe running down the back. They seem to possess such voracious appetites that anything that is green immediately melts away wherever they put in an appearance. There are millions upon millions of them and they seem to multiply like the dust of the field. Dyer Brothers had a splendid piece of millet in the lot enclosed by the race track, which would have yielded a crop worth at least \$300. Now it is doubtful whether the crop will be worth gathering.

### PICNIC TO-MORROW.

The ancient order of Hibernians will hold their first annual picnic at Coyner's Springs to-morrow. The special train will leave the Union depot at 9:30 o'clock, and returning will leave Coyner's at 7 p. m. The day will be spent in dancing and in various games that will amuse the participants. Several prizes will be awarded, and all who attend are promised a pleasant time.

### BOARD OF VISITORS.

Dr. T. W. Simmons, of Martinsville, was in the city yesterday en route to Marion to attend a meeting of the board of visitors of the Southwestern Asylum. The board will elect two assistants at the asylum, and it is said that there are at least twenty-five or thirty applicants.

### POLICE COURT.

In police court yesterday morning the following fines were assessed: Jake Mays, drunk, \$5; Lewis Pace, violating city market laws, \$10; James Withers, disorderly, \$2. In the case of Mr. Pace, who it seems was indisposed to pay a curfew tax, it was intended to make a test case. Judge Williams assessed the above fine and the case was taken to the circuit court, where it will be disposed of by Judge Dupuy.

### AN IRISH SURPRISE.

A gentleman with sound money predilections said to his Irish coachman that if free silver should win, he would only pay him 50 cents for his day's labor instead of a dollar. The Irishman studied for a moment and said: "Why don't you go to work for free silver then?"

### RATIFICATION MEETING.

A meeting of Bryan-Sewall Club will be held to-night at the Old Opera House, or the courthouse, to ratify the action of the Chicago convention. Major Otey, the Democratic nominee for Congress, will be present and will speak on the occasion. Judge Brand, captain Berkeley, Thos. M. Wood and other local speakers, will also deliver short addresses. It is now thought that the membership of the club will reach over 500 names. All who will support the nominees of the Chicago convention are invited to attend. Band music will be out and the ratification will doubtless be a grand success.

### DEATH OF AN INFANT.

The funeral services of Hilda Leigh, the ten-months-old child of Mr. and Mrs. D. W. Meadows, will take place this morning at 11 o'clock at the family residence, No. 512 Campbell avenue s. w., and will be conducted by Rev. Dr. W. C. Campbell, after which the remains will be interred in the city cemetery. C. R. Strother, Frank Henson, W. B. Buddo and Warren Wellford will act as pallbearers.

### GRACE EPWORTH LEAGUE.

Quite an interesting programme has been prepared for Epworth League entertainment at Grace M. E. Church to-night. The people of Grace know how to entertain and all who attend may rest assured that they will spend both a pleasant and profitable evening. The admission fee is only 15 cents, including refreshments.

### HART-BRYAN CASE.

It will be remembered that some time ago Judge Jno. W. Woods appointed Jno. M. Hart commissioner of accounts in the place of J. R. Bryan, who was requested to resign. Mr. Bryan questioned the legality of Judge Woods' action and carried the case to the court of appeals for a final hearing. That court on yesterday confirmed the action of Judge Woods, and the consequence is that Mr. Hart will now be commissioner of accounts for the city of Roanoke.

### LYNCHBURG VISITORS.

The Y. M. I. of Lynchburg ran a picnic excursion to Coyner's Springs and this city yesterday. The party was composed of about 600 people under the supervision of C. I. Hughes, president of the Y. M. I. Eight cars were well loaded and about 300 people came on to

the city. The remainder spent the day in dancing and other amusements, such as games of ball, running, jumping, etc., at Coyner's. Many of the picnickers who spent the day at the Springs came on to the city on No. 3 to attend the ball game and root for the Hill Climbers. Among the visitors yesterday were Rev. Father McGuirk, chaplain of the council; Father DeMonk, J. P. and J. J. Wall and J. R. Desmond. In the afternoon the visitors were tendered a reception by Columbian Council 189, Y. M. I. in their hall between 6 and 7 o'clock. The train left here on the return trip at 7:30 o'clock. The visitors seemed to enjoy themselves while in the city, and Roanoke was favorably impressed with the orderly, gentlemanly crowd from the neighboring city.

### ON EXHIBITION.

Chas. Lyle has on exhibition in his show window a glass jar filled with millet which is covered with army worms, all busy devouring the green grass.

### SUCCESSFUL FESTIVAL.

The festival of the St. James Church closed last night after being well patronized for three nights in succession. The ladies succeeded in clearing \$40 over all expenses.

### THE TERM 16 TO 1.

A couple of the colored brethren were standing in front of a Salem avenue store yesterday arguing politics, when one asked the other the meaning of the term 16 to 1. The reply was that it meant that \$16 should be given to the white people to the \$1 to the negro, and that he was in favor of the party which wanted to give money to all people alike.

### A SLIGHT ATTACK OF PARALYSIS.

Information was received here yesterday that Col. G. W. Hansbrough, of Salem, had been stricken with a slight paralysis of one of his arms and a part of his side. When last heard from he was able to walk about the room with a little assistance, and it was hoped that the worst part of the attack had passed. Colonel Hansbrough's many friends here will be sorry to learn of his illness, and earnestly hope for his early recovery.

### GERMAN AT HOTEL ROANOKE.

The first summer german of the season was held at Hotel Roanoke last night. The young people as they glided gracefully over the ballroom presented a most brilliant spectacle. The german was led by Messrs. W. H. Fry and Jno. Woods. Among those present were the Messrs. Watts, Williams, Davant, Coc, VanLeer, Scott, Aihart, Davis, Yonge, Hicks, and Misses Spencer, Greene, Mrs. Ludwig, Mrs. Coc, Misses Spencer, Mrs. J. Allen Watts and Mrs. Cox. Devan's orchestra furnished excellent music for the occasion.

### DEATH OF A CHILD.

Sarah Alice, the five-year-old daughter of R. S. Naud, died yesterday afternoon at the residence of her father in Norwich. The funeral services will be preached to-day at 4 p. m. at the residence by Rev. J. M. Childrey, of the First Baptist Church, after which the remains will be interred in the City Cemetery. This makes the third child of Mr. and Mrs. Naud to have lost this month, the first dying on the 5th inst. and the second on the 14th inst. The bereaved family have the sympathies of the entire city in their bereavement.

### ROW AT THE SHOPS.

A fracas occurred in the shops yesterday between Frank Carper, a young white man, and a negro whose name was not learned. It seems that they became involved in a dispute over some money, when the negro cursed Carper, whereupon he (Carper) struck him across the head with either a rock or a piece of iron, which made a severe wound. No arrests have been made.

### EPWORTH LEAGUE UNION.

Last night the Epworth Leagues of the various Methodist churches throughout the city and Vinton met in Trinity Church for the purpose of organizing a Union, which was done under the name of "The Roanoke Epworth League Union." The meeting was called to order by J. D. Johnson, Jr., Rev. Dr. Carson, of Greene-Memorial, delivered the opening prayer, after which the report of a committee (previously appointed) on by-laws was received and adopted. Officers were then elected as follows: Chas. I. Stewart, president; Rev. W. D. Keen, first vice-president; Dr. R. H. Gathright, second vice-president; E. L. Slaughter, third vice-president; W. E. Thomas, secretary, and L. Blair, Jr., treasurer. Miss Millard then recited "The Madonna of the Tubs," which was followed by a most interesting address by Rev. J. C. Jones, of Trinity. J. M. Carper sang a solo with Miss Dinwiddie playing the accompaniment. Rev. C. D. Bulla, of Grace, also delivered a most interesting address, and was followed by R. M. Kent, who sang a solo, Miss Stras playing the accompaniment. Before adjourning, Dr. Carson moved that the by-laws be printed, also an appeal to be distributed among the members of the Methodist churches, urging them to become league workers. The motion was adopted. The closing prayer was offered by Rev. W. D. Keen, and the union adjourned to meet again Thursday, August 20.

Yesterday W. C. Williams had everything in his stables out, and the manager was compelled to take a walk to see Roanoke do the Hill Climbers up.

Elegant large cool rooms; board and appointments first-class; single and double rooms for gentlemen; table d'hôte; bath, hot and cold water. No. 118 Eighth avenue s. w.

### DECIDED UNCONSTITUTIONAL.

St. Paul, Minn., July 23.—United States Circuit Judge Sanborne has decided the Iowa anti-cigarette law unconstitutional and ordered released on a writ of habeas corpus of Donald C. McGregor, of Cedar Rapids, Ia. The law was passed by the Iowa legislature last winter and went into effect on July 4, 1896, and prohibited absolutely the manufacture or sale of cigarettes in the State or their importation into the State. McGregor was arrested for importing cigarettes and selling them in the original packages and an application for a writ of habeas corpus was made to Judge Sanborne. The decision is based on the ruling in the "original package" liquor case.

### COURT OF APPEALS.

Wytheville, July 23.—The following proceedings of the court of appeals were had to-day: Bryan vs. Hart, hustings court of the city of Roanoke, affirmed by a divided court. Engleby vs. Harvey, hustings court of the city of Radford, reversed. Noel vs. Noel, hustings court of Radford, affirmed. Mount vs. Radford Trust Company, hustings court of city of Radford, affirmed and affirmed.
